UTE NEWS for the week of November 2, 2026
MykwH Ute Country!

GENERAL COUNCIL: Save the Date November 4th @ 10:00am in the Tribal Auditorium. A lunch will be served. For additional questions call 435-722-5141

UIT WATER SYSTEM & ENVIRONMENTAL HEALTH: Winter Weather Alert Tips:
- Allow a thin stream of cold water to drain from an indoor faucet during extreme freeze warnings to keep water moving.
- Circulate warm air by keeping utility room doors and under sink cabinet doors open so heated indoor air reaches hidden plumbing.
- Insulate exposed pipes. Wrap exposed water pipes located in unheated areas such as crawl spaces, basements and garages with pipe insulation or heat tape.
- Disconnect hoses and spigots, drain and store all outdoor garden hoses. Drain outdoor spigots before hard freezes hit.
- Seal cold drafts. Close all outside foundation vents, crawl space accesses and exterior doors tightly.
- Keep heat on if you plan on being away from home, leave your furnace running. Always maintain sufficient home heat to stop pipes from freezing.

If you should have any questions or reach out to UIT Water Systems @ 435-722-5176.
